Mill

914 sq ft | 1 bedroom | 1.5 baths
Ranch

Home Features:

The Mill offers an easy and functional design in a quaint style. An open kitchen and living area creates a nice space for gatherings, while the well sized master bedroom and en suite bathroom provides a quiet place to relax. Placed on an optional basement, this home has the flexibility of additional bedrooms and living space. A covered entry and ample deck space provide outdoor living areas and, at 914 square feet, this cozy plan offers a compact footprint.
