
Walker

1574 sq ft | 3 bedroom | 2.5 baths

Home Features:

Wow! The Walker offers an open floor plan on the entry level, allowing for entertainment space that flows easily between rooms. A rear deck is conveniently placed off of the dining room for grilling and outdoor dining. An attached garage transitions into the utility room to keep your living space clean. Three bedrooms and two full baths on the second level allows for privacy between personal space and living space.
